If your students believe baseball is only for boys, they should think again! Rich with the history of women who broke barriers to play the National Pastime, the *Dirt on Their Skirts* thematic unit covers 150 years of striving for equity and diversity on the diamond. Meet the All-American Girls Professional Baseball League of the World War II era, as well as the young ladies of the 19th century who played the game long before they even had the right to vote. Students will examine historical facts from various sources, including museum and library collections, artifacts, primary source documents, video and film, testimonials and Web sites.
